Dear Dr. Motiei,

السلام عليكم ورحمة الله وبركاته

I hope my letter finds you well and kindly accept my greatest regards. It is a pleasure to welcome you as the newest member of INSTP.

We at INSTP strive to provide our best in sharing technical and expertise services such as STP establishment consultancy, information services, technologies and products feasibility studies, R&D market makers, development of technology capabilities, as well as serving as a focal point of contact between all our members.

We aim to improve the status and role of science and technology parks in national and regional development projects, provide accessibility to new technology markets, improve the level of scientific and technological outcomes and facilitate technological collaboration between OIC Member States universities, STPs, and technological and industrial centers. I look forward to our future cooperation and shared projects. Please feel free to contact INSTP for any questions or suggestions.

Thank you and best regards.
